So, let's say you really like the 5.11 Tactical Ridgeline Pant lo-pro/lo-vis combat/tactical pants DefenseReview (DR) just reported on, but you can't wear them, because you're a woman. Well, despair not, because 5.11 has just the pants for you–the 5.11 Tactical Women's Cirrus Pants. The Cirrus has all the tactical and utilitarian goodness of the Ridgeline Pant, only with some female flair/styling and shaping.

DR got to check out the 5.11 Tactical Women's Cirrus Pants at SHOT Show 2015, and they looked really well designed and made. 5.11 Tactical rep Ashley Kamrath quickly took us through the Cirrus' features, right after showing us the corresponding men's Ridgeline Pant. The Cirrus, which Ashley was wearing, by the way (see video below), would appear to be perfect for female LEO's (Law Enforcement Officers) and civilian CCW (Concealed Carry Weapons) licensees and permit holders. Even if you're not either one of those, you should still check them out, 'cause they're just really nice-looking, well-designed, well-made, nice-looking pants.

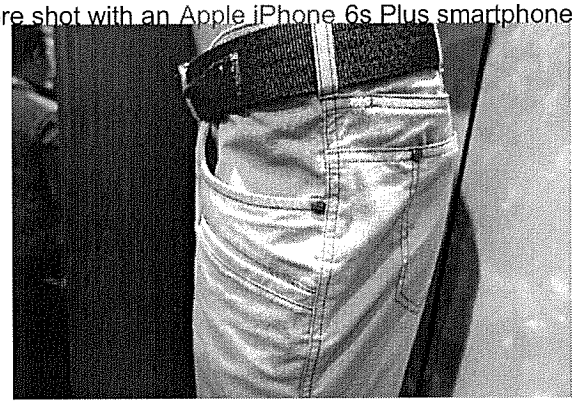

Anyway, check out Defense Review's video below on the 5.11 Tactical Ridgeline and Cirrus Pants:
